Kemmler the wife murderer, has
 been denied a writ of error by the su-
 preme court and must die by "electro-
 cution."

As the day draweth near for the
 candidate to know his fate, his face
 groweth pale, his hands shake, his
 knees will scarce support his anxious
 body, and he looks like a lamb led to
 slaughter.

The copyright on Webster's famous
 dictionary has expired. During the
 life of the copyright the celebrated
 book sold at sums ranging from \$9. to
 \$12. It can now be bought for from

Senator Stanford seriously insists
 that his federal money loaning, two
 per cent. interest scheme, would an-
 chor the millennium a century in ad-
 vance of the Bellamy prophecy. It
 is a curious fact that the senator is
 not loaning his millions on those
 terms.

Killing by electricity has been de-
 cided to be just the thing to get rid of
 the murderers. New York will now
 have passage on her way to renown
 which she seeks, and henceforth and
 forever murdering criminals will pass
 to the other side in the most approved
 style, and according to the advanced
 thought, may be, of the age.

George Francis Train has solemnly
 cursed the great railroad magnates,
 Gould and Villard. He has also
 cursed Tacoma and every body in any
 way responsible for the failure to
 provide him with a special train across
 the continent. Perhaps, by way of
 revenge, he will take to bombing
 Seattle.

The Omaha Bee has apparently
 been sued by three aldermen, who
 want \$10,000 apiece, for the damage
 which the Bee has inflicted upon their
 respective reputations. The Bee tells
 them that their cheek is sublime and
 their impudence sublimated. This
 an hardly be considered a satisfac-
 tory retraction.

In another place in this paper will
 be found an address delivered by W.
 Thurmond, editor of the Troy Her-
 ald that is well worth the attention of
 every newspaper man in the broad
 land. For the last two decades there
 has been a steady growth of independ-
 ent journalism and God speed the
 day when it shall be universal. Mr.
 Thurmond is an advance thinker, and

worker and while his methods and
 thoughts are not now, to him, lucra-
 tive he is right and eventually that
 right will prevail.

APPOINTED.

By reference to a telegram in an-
 other part of this paper which was
 received at 6 p. m. Friday, it will be
 seen that the governor has appointed
 J. N. Dalby, of Sedalia, as presiding
 justice of the county court, Vice
 William Gentry deceased.

Mr. Dalby will prove the most ac-
 ceptable man to the city, county and
 the democratic party that could have
 been named. The country has two
 of the judges and the city, with half
 the population of the whole county,
 is certainly entitled to one. The
 governor was urged to appoint a man
 from the city. He took the same
 view of the situation the people did,
 hence the appointment.

Judge Dalby will take his seat with
 the balance of the court Monday.

Perhaps no local disease has puz-
 zled and baffled the medical profes-
 sion more than nasal catarrh. While
 not immediately fatal it is among the
 most distressing and disgusting ills the
 flesh is heir to, and the records show
 very few or no cases of radical cure of
 chronic catarrh by any of the multi-
 tude of modes of treatment until the
 introduction of Ely's Cream Balm a
 few years ago. The success of this
 preparation has been most gratifying
 and surprising.

What They Say.

Marshall Democrat says:

A painter named Mark II was
 "held up" and robbed in broad day-
 light in Sedalia on Tuesday. With
 a double murder, a mysterious kill-
 ing and a day-light highway robbery
 all in one week, the Queen City is in
 a fair way to become notorious if not
 famous.

Rich Harvest for a Michigan Farmer.

I have suffered for years with rheu-
 matism, loss of appetite, and disordered blood,
 and after great expenditure of time and
 money, had almost given up all hope of
 relief. Hearing of Hibbard's Rheumatic
 Syrup, I grasped it as a last resort, and
 after using six bottles, found almost entire
 relief. I am now able to work on my farm
 with ease, which I have not done for years,
 and I advise all persons suffering with
 rheumatism and other blood troubles, to
 try this medicine. HARVEY PERRY,

Won the Clock.

Who will be the next lucky man to
 draw a fine clock. Last night at the
 clock drawing of the Empire steam
 laundry Conrad Kling was the one
 who held No. 73 which was the num-
 ber that drew the valuable
 eight day clock given away
 by that enterprising firm.
 If the clock proves to be half as good
 as the work done it will be a "dandy"
 as all can testify and there is no
 doubt but what the clocks are all
 perfect. Mr. Zimmerman & Son are
 gentlemen who understand how to
 please the public and give dollar for
 dollar.

A Deadly Weapon.

Carelessness in purifying the blood
 leaves you at the mercy of that insidious
 enemy BLOOD POISON, which sooner or
 later will strike its fatal blow. Hibbard's
 Rheumatic Syrup has no equal as a blood
 remedy, and should be taken by every per-
 son in the spring. Its efficacy has been
 proven by thousands of testimonies like
 the following:

GENTLEMEN: I have been a great suf-
 ferer for over ten years. My whole system
 became deranged from diseased blood, and
 I was attacked with the worst forms of
 kidney and liver trouble, dyspepsia, neu-
 ralgia and rheumatism. My sufferings
 cannot be described. The soreness of
 my skin disgusted me, and the neuralgic
 pain was so severe that it contracted the
 muscles of my face, partially closing my
 right eye. The ablest doctors gave me no
 relief, but I am now entirely cured by Hib-
 bard's Rheumatic Syrup, and wish to recom-
 mend it to all as a wonderful blood medicine.

The New Discovery.

You have heard your friends and neighbors
 talking about it. You may your-
 self be one of the many who know from
 personal experience just how good a thing
 it is. If you have ever tried it, you are
 one of its staunch friends, because the won-
 derful thing about it is, that when once
 given a trial, Dr. King's New Discovery
 ever after holds a place in the house. If
 you have never used it and should be af-
 flicted with a cough, cold or any Throat,
 Lung or Chest trouble, secure a bottle at
 once and give it a fair trial. It is guaran-
 teed every time, or money refunded.

Scaly Skin Diseases

Psoriasis 3 years covering face, head,
 and entire body with scales. Skin red, itchy,
 and bleeding. Hair all gone. Spent hundreds of dollars.
 Pronounced incurable. Cured by Cutic-
 cura Remedies.

My disease (psoriasis) first broke out on my
 left cheek, spreading across my nose, and a most
 covering my face. It ran into my eyes, and the
 physician was afraid I would lose my eyesight al-
 together. It spread all over my head, and my
 hair fell out, until I was entirely bald-headed;
 it then broke out on my arms and shoulders, un-
 til my arms were just one core. It covered my
 entire body, my face, head, and shoulders bring-
 ing the most excruciating pain. I was unable to
 move. The white scales fell constantly from my
 head, shoulders, and arms; the skin would
 crack and bleed and was very itchy, and would
 crack and bleed if scratched. After spending
 many hundreds of dollars I was pronounced in-
 curable. I heard of the CUTICURA REMEDIES,
 and after using two bottles CUTICURA RESOLVENT,
 I could see a change; and after after I had taken
 four bottles CUTICURA RESOLVENT and one
 bottle CUTICURA REMEDIES, I was cured. I
 had been a sufferer for three years, and was a
 very deep scar, but the CUTICURA REMEDIES
 cured it with out any scars. I cannot express
 with a pen what I suffered before using the CUTI-
 CURA REMEDIES. They saved my life, and I feel
 it my duty to recommend them. My hair is re-
 stored as good as ever, and so is my eyesight. I
 know of others who have received great benefit
 from their use.
